We also support the following products which have been withdrawn from sale: Sage Line 100, Sage MMS, Sage Line 200 and Sage Line 500.

Our business partnership promise

As a Pinnacle customer, we promise to make our relationship with you simple, stress free and rewarding. We're here to work in partnership with you to help you to get the most out of your Sage solution, and to support you as your business changes and grows, leaving you to focus on your business priorities.

'Support from Pinnacle is excellent which is very important when our business relies so heavily on the application. Staff are always quick to respond, knowledgeable and very polite.'

ELLIOT DAVIS, MANAGING DIRECTOR, DED LTD

Benefit from partnering with Pinnacle

We believe that the highest standards of customer service and support should be maintained throughout the lifetime of the relationship with our customers, which is why our highly experienced support, implementation and project management teams will be with you every step of the way.

With 10 offices strategically situated around the UK and Ireland in Aberdeen, Belfast, Dublin, Glasgow, Hull, London, Maidstone, Newcastle, Portsmouth and Warrington, you can be assured that any queries you may have will be dealt with in a professional, timely and efficient manner by local consultants who understand your business.

'over 98% of customers
would recommend
Pinnacle as a Sage
support provider'

First class customer service

First class customer service is key to the successful relationship we have with our customers. With a team of over 100, we firmly place our customers' needs and satisfaction at the forefront of everything we do to ensure that we not only meet, but exceed their expectations through continuing proactive support and communication. We achieve this by:

- Providing a friendly and reliable support service which utilises proven support methodologies and is easily accessible.
- Understanding our customers' problems, taking ownership of them and resolving them in an efficient manner.
- Contacting customers regularly to keep them up to date with new product releases and updates from Sage.
- Using our customers' feedback to drive improvements.

We consistently invest in our support infrastructure, so you can be assured of an unparalleled level of service that differentiates us from the rest of the market.

sage awards

Sage Circle of Excellence Winner

Over the last twenty years, we've developed proven methodologies and processes in implementing and supporting Sage solutions. Our proactive teams are passionate about providing first class customer service and support, which is reflected in us being six times winners of the prestigious 'Sage Circle of Excellence Award' for outstanding levels of customer service.

Sage 200 Business Partner of the Year

We are 3 times winners of the 'Sage 200 Partner of the Year Award' including 2014, 2015 & 2016, further testimony to our hard work and dedication to providing Sage software to the SME sector.
